Andrew Hollis

22 February at 14:02

While I have been asked to not "break ranks", and "not leak to media" I have not been asked to not warn Tauranga about waking up to and to take notice of this Annual Plan.

Council and the majority of councillors including our new Mayor have plans in play that are appalling.

Personally, i am ashamed of the direction being discussed.

Believe me, there is more to come over the next week

So much for open and transparent government.
