8 DECLARATION OF CONFLICTS OF INTEREST

Nil

9 DEPUTATIONS, PRESENTATIONS, PETITIONS

9.1 Ngāti Hē presentation

External Mita Ririnui and Des Heke

Key points

- Noted this was first time the Committee and the Commissioners had been to Maungatapu Marae.
- Noted Commission Chair Tolley's political experience in central government.
- Noted that the Commission was not a permanent arrangement; and were thanked for their mahi.
- Ngāti Hē estate over time had shrunk and was now just the peninsula.
- Noted Ngāti Hē interest in the properties on Wikitoria Street and had obtained independent valuations for the properties. Ngāti Hē had thought an agreement was already in place with Council around disposal of those parcels of land to be returned to Ngāti Hē. Noted the technical issues as the area was declared a flood plain and there were some restrictions on the land but this was not reflected in the valuations. Wanted to re-engage in discussions with Council about those properties!
- Customary marine title awarded to five local hapū of Rangataua. An application went in for entire area and Ngāti Hē application was only for discrete areas associated with Ngāti Hē

whakapapa and seeking waahi tapu order for those areas to Council. Yet to engage with Council on what those waahi tapu orders might look like and queried how Council would address these matters.

- Marine and Coastal Area (Takutai Moana) Act 2011 (MACA) applications for deep sea area customary rights with minimal impact on Council.
- Hairini Link/Turret Rd/Maungatapu roundabout consultation with Waka Kotahi and Council resulted in cultural and environmental recognition in the resource consent
- Noted pressure on the water main being at full capacity
- Noted interest in other historical pā sites and their return to mana whenua ownership.
- Expressed concern regarding impact on climate change on this marae. Queried what Council was planning in terms of climate change action and mitigation. Noted the need to plan and manage the impact of global warming/climate change on waterfront Maungatapu marae.
- Maungatapu marae had moved in the past for various reasons and as a result Ngāti Hē had cultural knowledge of uplifting and moving marae.

In response to questions

- Policy to deal with disposal of council land had been reviewed recently and included a right of first refusal (RFR) provision. Ngāti Hē had a commitment from Council to re-engage on the Council-owned Wikitoria St properties. Ngāti Hē, as a hapū committee, would like to have that discussion with the Commissioners as well as staff.
- Rangataua MACA title starts from the Maungatapu point, goes over to Matapihi and covers the whole Rangataua Inlet area which impacts five hapū. The original application was for the whole area to be declared waahi tapu but Ngāti Hē disagreed and wanted only discrete areas declared waahi tapu.
- Management of Te Pahou reserve - the site was handed over but Ngāti Hē believed the maintenance and capital development/infrastructure should sit with council. Noted iwi management in terms of resource consent for cultural mitigation and wetland management. Once these were in place, further discussions on the responsibilities between iwi, council and Waka Kotahi would take place. Wanted to make management easier for iwi in future generations, not for the site to be an encumbrance. Concern was raised around issues with slope stability and the extension of the urupa.
- Useful to understand Council's role in terms of central government's climate change adaptation legislation. Would need to discuss and consider risk management at hapū level as well to be provided through to Council.
- Need to link in with Te Rangapū climate change action and adaptation representatives.
- Managed retreat considered by the marae committee, hapū trustees and whanau as Ngāti Hē to work with Council to consider/manage erosion around the marae. Concerned about koiwi/bone remains falling into the harbour. Noted need to consider resilience of all parts of the whenua.
- Introduced Mrs Angela Webster as local Ngāti Hē contact.

Discussion points raised

- Requested a brief history of the Ngāti Hē connection with Rotary Park and Te Wati Park to add a better understanding to Council moving forward.
- Noted that actions and concerns raised were recorded and response tracked by Council's Pou Takawaenga team.
- Requested a separate report back on the Ngāti Hē whare and whenua status directly to Ngāti Hē rather than in the committee minutes.

COMMITTEE RESOLUTION TW2/23/4

Moved: Commissioner Shadrach Rolleston

Seconded: Commission Chair Anne Tolley

That the Tangata Whenua / Tauranga City Council Committee:

- (a) Receives the Ngāti He presentation.

10 BUSINESS**10.1 Chairperson Report**

Chairperson Anthony Fisher

Key points

- Provided a reflection after three meetings as Chairperson.
- Noted the sheer amount of work and issues that tangata whenua were having to deal with and were inundated with work primarily in the environmental space for iwi/hapū.
- Noted the positive relationship between Te Rangapū and the Council.
- Posed question of whether tangata whenua were getting maximum benefit of the arrangements and enough of a bedrock to make the relationships enduring going forward.
- Highlighted the importance of the impact of climate change.

Discussion points raised

- Noted that all Tangata Whenua/TCC committee meetings were held on marae and had an ongoing report of decisions made and actions tracked. Could refine further by providing a specific report back to each marae outlining the issues raised and actions taken.
- Noted Māori overwhelmed and undermined by growth. Noted the need to have robust mechanisms in place to ensure voices were heard.
- Could sometimes raise korero/discussion at hapū and iwi level about an issue which does not get raised back to Council or tabled at a committee meeting so lacks visibility.
- Had been a successful 12 months for iwi/tangata whenua with a number of goals achieved. Noted the next 12 months would be about embedding gains and forward progress.
- A query was raised as to what would happen with membership of this committee once elected governance was restored, would this make all Councillors responsible for the korero at these committee meetings. Queried whether it would be a committee of the whole with all Rangapū members as well as all Councillors, so that the group would not have to rely on selected individual members reporting back or keeping full Council informed.
- Noted the establishment of the Māori ward and what role Te Rangapū could take in the upcoming election. Should look at wider mana whenua representation and voter turnout as well.
- Value of having an independent Chairperson was highlighted with a move towards a more strategic Committee view.
- Noted it was important not to treat Te Rangapū as a tick box consultation exercise and that hapū engagement was also required.
- All Council Action and Investment Plans had been to Te Rangapū with involvement at Council strategy level.

COMMITTEE RESOLUTION TW2/23/5

Moved: Ms Destiny Leaf

Seconded: Commissioner Bill Wasley

That the Tangata Whenua / Tauranga City Council Committee:

- Noted work of Rangapū members outside of attending standard Rangapū meetings.
- Noted the National Māori Housing Conference held in Rotorua and different housing needs and infrastructure responses across the country. "Give us the resources and let us get on with it" was common theme from the conference. Noted the work of Rotorua Boys and Girls Colleges with their local trades academies.
- Noted the changes to Three Waters reform with the move to 10 water entities.
- Governance professional development (Institute of Directors) for Te Rangapū representatives ongoing.
- Noted that the 2024 Tauranga City Council elections was one of the key priorities as was the local government reform.

Discussion points raised

- Government very keen to partner with iwi in relation to housing. Noted it could be challenging for Council to partner with central government and the many agencies involved. Local iwi and housing trusts were seeking to collaborate and work together.
- Noted that the pōhiri for the new Museum Director was a powerful message of partnership.
- Needed to ensure that the feedback and learnings from the Māori Housing Conference were fed back into Council e.g. papa kainga development.
- Nga Pōtiki had been active in a trades training role. Discussed the Commission meeting with Tauranga College principals and Chairpersons.

Report to Tangata Whenua / Tauranga City Council Committee meeting scheduled for Wednesday 21 June 2023, Ngati Whakaue Marae, Maketu.

TO: Tangata Whenua/Tauranga City Council Committee
FROM: Matire Duncan – Chair Te Rangapu Mana Whenua o Tauranga Moana
DATE: Wednesday 21 June 2023
SUBJECT: Te Rangapu Mana Whenua o Tauranga Moana (“RMW”) Report and Update
PURPOSE: The purpose of this report is to provide the Tangata Whenua / Tauranga City Council Committee members with an update of RMW progress.

1. Tangata Whenua Representation on Council Committees

Tangata whenua representation continues to strengthen the Tangata whenua voice and positively demonstrate how a partnership can work with Tauranga City Council and the Commissioners as Tangata whenua continue to be represented in several partnership and leadership roles.

2. Acknowledgement

On behalf of Te Rangapu Mana Whenua o Tauranga Moana, I would like to congratulate the Tauranga City Council for winning this year's Te Tohu Waka Hourua – The Buddle Findlay Award for Māori-Council Partnerships with its 'Joint Land Ownership – the Right Thing to Do' project that recognises programmes, projects or initiatives that demonstrate outstanding results from working in partnership with Māori.

Te Rangapu have been closely observing the development of Te Manawataki o Te Papa – Tauranga Civic Precinct showcasing the cultural historic, economic, and social centre for our fast-growing city.

3. Tangata Whenua / TCC Workshops and Special Workshops update

Since the last TW/TCC Committee meeting held in April '23 at Maungatapu Marae, Te Rangapu come together in workshops to discuss and debate not only our local authority concerns and issues, but also central government plans and reforms. 4. Electoral Campaign for Maori and Youth Voters

Given the Tauranga only local elections are planned for 2024, the members of RMW will be having discussions around campaign strategy for Tauranga Moana Tauranga Tangata and youth voters, what type of information and positive messaging is needed, how it will be delivered, what collateral needs will be developed and certainty around timing and rollouts.

There may be some assumption that the election could happen on 20 July 2024 however, the timeline for Tauranga local elections still require government determination.

5. Profession Development Part 2 – Kotahitanga – Principles of Maori Governance

The second part of the Institute of Directors training was the integration of Māori cultural values, the relevance of Te Tiriti o Waitangi, relationships and mātauranga Māori in governance.

Understanding key Māori cultural concepts of how Māori society operates and how Māori are likely to operate in different business scenarios.

The RMW members learnt how a board can have an increased awareness of Māori cultural values and how these values can be applied and led by the board.

They also learnt how to reflect and integrate kaupapa Māori into the governance and leadership of their organisation and gain an awareness of the business opportunities and relationships within the Māori economy.

6. Key priorities for the next coming months
